

It is the policy of Selectequip Ltd to supply products that meet all agreed requirements.

This commitment relates to all company activities and can be summarised as the following business goals:

- To continuously satisfy relevant Legal and Customer requirements.
- To Establish, implement and operate a Management System, which is effective and in compliance with ISO 9001:2015.
- Profitability through ongoing business development.
- Working in partnership with our Suppliers and Customers.
- Developing the work force to improve quality and efficiency
- Set formal objectives that promote continuous improvement in all our business activities through the development of measurable preventive risk-based management programmes through the Management Review Process.

This Policy is channelled through the Management System. To ensure that it is fully implemented, monitored and improved it is co-ordinated by a Management Team headed by a Senior Management Representative. The Management Representative has full authority to maintain the system in accordance with the Company's Policy and Procedures.

This statement represents the commitment of the Management and work force to the Policy. Communication and awareness of this Policy is established during the relevant phases of Company training, is available to the public and all external parties and is a mandatory requirement of all personnel operating on company and customer premises.

Signed
